Ravi Shankar Gautam
Laravel - Web Developer
+91 7521878485 | raviup198@gmail.com | **Ravi Shankar Gautam | LinkedIn**

OBJECTIVE

Dynamic and driven Web Developer proficient in HTML/CSS, Bootstrap, MySQL, Web APIs, GitHub, PHP & Laravel Framework. Eager to leverage technical acumen and extensive experience to spearhead the creation of cutting-edge website solutions. Passionate about tackling challenges and contributing to the evolution of digital platforms through innovation and precision.

EXPERIENCE

Web Developer | Digicoders Technologies PVT LTD   *March 2023 – PRESENT*

- Implemented clean, efficient, and meticulously documented code leveraging PHP & Laravel, MySQL, AJAX, Web APIs, GitHub, HTML, CSS, JavaScript, and Bootstrap, optimizing website performance and maintainability.
- Proficiently developed and managed web APIs, enhancing both website and mobile functionality, while effectively administering databases.
- Identified and remedied issues pertaining to website performance, functionality, and security, ensuring seamless user experiences.
- Fostered collaboration with graphic designers, content creators, and development team members, streamlining the website development lifecycle.
- Engaged in proactive client communication, understanding their requirements, delivering technical support, and proposing tailored solutions to elevate their online presence.
- Conducted rigorous testing of website applications, guaranteeing superior functionality, speed, and responsiveness across multiple browsers and devices, aligning with industry best practices.

EDUCATION

Bachelor of Computer Applications (BCA)   *2022 – PRESENT*

Veer Bahadur Singh Purvanchal University Jaunpur
